ABOUT DURUM

MAKING TOOLS BETTER

With cutting edge design, we are creating innovative new tools that work better and last longer. We listen closely to the feedback of professionals, finding innovative ways to improve the tools you use every day.

DURUM

- Get the job done Better
- · Get the job done Faster
- · Make the tools last Longer

♦ VDE EziDriv SCREWDRIVERS

The **DURUM** EziDriv VDE Screwdriver set is VDE certified for use up to 1000V. Every VDE screwdriver is quality tested to ensure they meet or exceed DIN EN IEC 60900 standard.

The **DURUM** EziDriv system (Design Registration pending) gives the user more control, making it much easier to drive screws one-handed. The handle is ergonomically shaped to allow maximum leverage, as well as precision fingertip turning.

COMBINATION SQUARE

The new Quick Draw Combination Square from **DURUM** makes quick, accurate measurements a breeze.

The innovative design (Patent pending) is both ergonomic and easy to use. Our Quick Draw lever is lightning fast to release and set, and the laser etched ruler and body deliver accuracy with every measurement.

For more comfort and functionality, the body of the square is designed to fit your hand better. Included in the body of the Quick Draw Combination Square are a scribe and a level.

- Ergonomic cast alloy body
- Quick Draw adjustment lever
- Knurled scribe
- High Vis level
- 20mm wide body design
- 300mm or 450mm Stainless Steel Ruler

| Part No. | Description | Pack Type | Inner Qty |
|----------|---------------------------------------|-----------|-----------|
| DB10103 | Combination Square 300mm Quick Adjust | Card | 6 |
| DB10105 | Combination Square 450mm Quick Adjust | Card | 6 |

AVIATION SNIPS

Starting with the strongest components (chromoly steel blades, double overwound spring and high tensile fasteners),

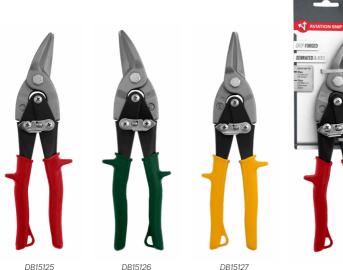

DURUM Aviation Snips are designed to cut better and last longer.

Drop forged and precision sharpened blades are core to the accuracy and reliability of DURUM aviation snips.

DURUM Snips meet ANSI and DIN standards.

Designed in Australia, Made in Taiwan.
