ABOUT DURUM

MAKING TOOLS BETTER

With cutting edge design, we are creating innovative new tools that work better and last longer. We listen closely to the feedback of professionals, finding innovative ways to improve the tools you use every day.

DURUM

- Get the job done Better
- Get the job done Faster
- Make the tools last Longer

MULTI DRIVERS

The **DURUM** EziDriv Multidriver Set includes the unique **DURUM** EziDriv Magnetic Multidriver as well as 12 of the most popular industrial screwdriver bits, all snugly set in **DURUM**'s convenient and durable low profile case.

The **DURUM** EziDriv system gives the user more control, making it much easier to drive screws one-handed.

MARKING & MEASURING

D COMBINATION SQUARES

The new Quick Draw Combination Square from **DURUM** makes quick, accurate measurements a breeze.

The innovative design (Patent pending) is both ergonomic and easy to use. Our Quick Draw lever is lightning fast to release and set, and the laser etched ruler and body deliver accuracy with every measurement.

For more comfort and functionality, the body of the square is designed to fit your hand better. Included in the body of the Quick Draw Combination Square are a scribe and a level.

- Ergonomic cast alloy body
- Quick Draw adjustment lever
- Knurled scribe
- High Vis level
- 20mm wide body design
- 300mm or 450mm Stainless Steel Ruler

SPIRIT & PRO BOX LEVEL

The **DURUM** Spirit and Pro Box Levels feature:

- Strong magnet
- Vial accuracy of $\pm 0.5\text{mm/m} = 0.029^\circ$
- Weather and scratch proof
- Shockproof end caps
- UV resistant vial liquid

In addition to the above the **DURUM** Pro Box Levels also feature:

- Double milled surfaces for top and upside down accuracy
- Heavy-duty handle
